

AT HUVUDSKÄR

Spartan accommodation

Remote but accessible

20-30 beds

Bring all you need

**Off season
is the best season**

to film

The impossible outpost

In solitude with the ocean, waves, cliffs, cottages, light houses. Where civilization ends and nature is setting the conditions. Unique locations at your fingertips. Sure you'll need to take your time to prepare and you'll have to bring all you need. It'll take some time and effort but it will be rewarding, unique and breathtaking.
